Dear Judge Thynga,

I would first like to apologize to you for taking your time to read this letter, as I know that your time is very valuable and is limited as to how much effort you can devote to the many inquiries that you must receive from people like myself.

I feel, however, that given my feelings and concerns that I must write this letter.

I have been assigned Mr. Abel Velez as my public defender, but as to this point I am not convinced that my best interests are being taken and I have developed serious concerns.

After careful consideration and thought I see no other alternative but to respectfully request that you assign Mr. Penny Marshall to represent me in this matter.

Again I apologize for your time and I thank you in advance for your time in regards to this matter.

Respectfully,
Salvador Martinez Torres
